

3D Printing Form

COFFS HARBOUR
LIBRARIES

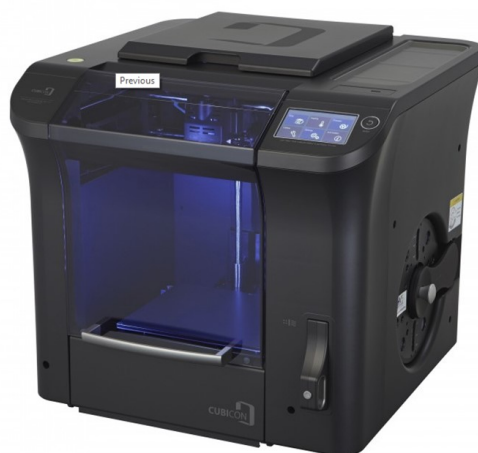

Please read before selecting details:

COST

\$5 first hour

\$2.50 each additional hour

(or part thereof)

HOW DOES THE 3D PRINTING SERVICE WORK?

Customers are encouraged to book time with staff.

Printing services will be available Monday-Friday from 10am-11am.

Customers are expected to process their 3D model using Cubicreator software and save it in G-code format on a USB. All public computers at Harry Bailey Memorial Library have the Cubicreator software available to customers.

SIZE

Maximum build size – 240 x 190 x 200mm

COLOURS

- White Black Silver Orange
 Blue Green Yellow Red
